

"The music is not in the notes, but in the silence between."

Wolfgang Amadeus Mozart was a great composer in the Classical Era. He performed and composed music from a very early age and toured throughout Europe with his father and sister, playing for kings and queens. Mozart composed music for orchestras and choirs. He wrote operas and played the harpsichord, piano, and violin.

Mozart composed **over 600** works in his short lifetime.

WOLFGANG AMADEUS MOZART
